millions of tons of waste
from landfills every year

KC1000

1.58 Gallon

Kitchen Compost Collection Made Easy!

This handy, portable compost carrier is perfect for short term storage of kitchen compost. Featuring the new optional micro-vent, or alternative vented lid with an activated charcoal filter, both great solutions for eliminating odors caused by compost. All corners and edges are rounded making it easy to clean and empty, in addition to being dishwasher safe.

ADDITIONAL FEATURES:

- Snap-lock lid opens and closes effortlessly
- Option of micro-vent, vented or solid lid
- Optional micro-vent lid eliminates odor without the requirement of filters
- Rounded corners and dishwasher safe for easy cleaning
- Can be mounted inside a cupboard door (*hardware not included*)
- Fits ALL standard paper and plastic composting bags
